Don't let a few miles turn you into a distant relative.

Just because moving to a different job or a different house has put miles between you and your family, that's no reason to become a distant relative.

Even though you no longer live that close together, there's a way to make it seem like you still do.

Call. And you'll feel like you're home again, even if home is miles away.

With one simple phone call you can visit your family or friends in Teaneck, Morristown, Cherry Hill or anyplace else in New Jersey, without ever leaving home.

New Jersey are inexpensive during discount calling times — after 5 pm and weekends.* So you can

afford to call more often. And because you visit by phone instead of by car, there's no time spent traveling and no money spent on gas.

Moving away shouldn't separate you from your loved ones. Call them to let them know you're still close together even though you're miles apart.
